講師プロフィール

● Career

Mr. Kojiro Moriwaka has served as Executive Vice President at Moriwaka Medical for 3 years, a Japanese medical technology company founded in 1972. He has taken on management of marketing and public relations, and has positioned the company to be one of the leading providers of medical aid and technology in an expanded region.

He has taken on various projects such as establishing a social media network for the company, designing the company logo and slogan, organizing charity drives and the donation of medical equipment to local community projects, alongside his primary role of overseeing day-to-day operations of the company.

His other work includes providing consultation for new hospitals and clinics, engaging new clients, promoting the company and its brand, contract negotiation, staff liaison, and human resource management and development.

Mr. Moriwaka also became the Vice President of Sales at Dremel Analytics from Boston in Massachusetts. This new big data consulting firm is made by his Harvard Business School friends.

Mr. Moriwaka had worked in the field of publicity and marketing in Sydney.

● Social Work

Mr. Moriwaka is the liaison officer at International Medical Aid of Yamaguchi Association (IMAYA). This NGO supports for the development for medical treatment in the developing countries by donating medical devices and human resource development.

● Education

Mr. Moriwaka studied Bachelor of Economics and Social Science at University of Sydney, and completed in Program for Leadership Program (PLD) at Harvard Business School, Harvard University.
